About Dales Academies Trust

'Together for Excellence'

Dales Academies Trust (Dales) was established in 2017 as a Multi Academy Trust (MAT), with sponsor status, for the northern church schools of the Church of England dioceses of Leeds and York.

As with the other church MATs across both dioceses, the Trust is open to church and non-church schools with a core purpose of providing an inclusive education for children of any ability, culture, gender, sexuality, faith, or no faith. The ethos is derived from, and informed by, the Church of England's commitment to education and schooling over more than 200 years.

Dales welcomed its first community school into the Trust in 2020 when Carnagill Community Primary School became the fourteenth setting to join our family of schools.

To date Dales consists of the following schools:

School	Date of joining the Trust
All Saints CE Academy (Secondary)	September 2017
Eppleby Forcett CofE Primary School	November 2017
Middleton Tyas CofE Primary School	November 2017
Trinity Academy Richmond	November 2017
East Cowton CofE Primary School	November 2017
Barton CofE Primary School	December 2017
Ravensworth CofE Primary School	December 2017
South Otterington CofE Primary School	January 2018
Croft CofE Primary School	January 2018
Ainderby Steeple CofE Primary School	January 2019
Thornaby CofE Primary School	July 2019
St Francis CofE Primary School	August 2019
Carnagill Community Primary School	April 2020
Great Smeaton Primary School	April 2024
Oakbridge CofE Primary School	September 2024

Oakbridge CofE Primary School is the Trust's first Free School, with Dales being named as the sponsor after a competitive process in April 2021; it opened with a cohort of Reception children in September 2024.

Everything we do is informed by our Vision that 'Working together for excellence", and rooted in quality, collaboration and care, we deliver exceptional learning experiences through inspirational teaching and nurturing a love of life-long learning. We dare greatly, travel hopefully and enable each other to flourish'.

In practice, for example, we have established a range of networks within the Trust including the Primary Headteacher Partnership, which has at its heart, a focus on self-

supporting school improvement, as well as subject partnerships, Early Years, SEND and a Chair of Governor's Forum. In addition to this all schools continue to play an active role in partnerships beyond the Trust with settings being part of their local networks, senior MAT leaders linking with Teaching School Hubs and the CEO sitting on the Hambleton & Richmond Locality Board. We are committed to working in partnership to ensure the best possible outcomes for all pupils in Trust schools.

The Trust 5-Year Strategic Plan was published in January 2021; it focuses on three key areas, namely:

1. Ensure the best possible outcomes for all pupils	2. Recruit and retain the best staff	3. Grow appropriately, becoming a sustainable, viable organisation
through timely, intelligence led, research informed school improvement activities utilising high quality support and effective collaboration within a supportive accountability framework.	through establishing Dales as an employer of choice, committed to the ongoing development of its staff through rigorous, personalised, evidence based CPD and effective talent management at all levels of the organisation.	through optimisation of financial efficiencies, infrastructure and processes, to ensure fitness for purpose, and further informed by relationships with networks and organisations beyond the Trust.

All Trust Headteachers are actively involved in the delivery of the strategy and have within their Performance Management, a Trust objective, focused in the first instance on an area of particular interest to them that will benefit all.

Our successes to date have been due to the focused teamwork of leaders and staff in all schools operating within an organisation that has worked hard to establish its accountability framework as a driver for excellence.

Dales is at an exciting stage in its development with the establishment of even closer working between the practitioners in its schools and ongoing conversations with a number of schools interested in joining. We are very keen to maintain this momentum and are actively looking for creative and driven team players who will work with us on delivering the next phase of our growth.
